

# European Brain and Behaviour Society

<http://www.ebbs-science.org>

2010

The European Brain and Behaviour Society (EBBS) is designed to promote the exchange of information between European scientists interested in the relationship of brain mechanisms and behaviour. Membership is open to all European scientists, and Associate Membership is available for non-Europeans.

As a member of EBBS you also join FENS (well over 15.000 European neuroscientists).

**Membership of EBBS invites you to:**

- register at reduced rates at the [EBBS](#), [FENS](#), [IBRO](#) and [SfN](#) meetings
- access the official FENS journal, [EJN](#), online free of charge and subscribe to the print edition at a reduced rate -
- subscribe at very attractive discounts to several leading neuroscience journals
- buy books at special FENS member rates

Yes, I want to become a member of EBBS.
